

World Cup 2018 - Wellbeing in Numbers

There are 32 countries in the 2018 World cup. They are:

Group A	Group B	Group C	Group D
Russia	Iran	France	Croatia
Uruguay	Portugal	Denmark	Iceland
Saudi Arabia	Spain	Australia	Argentina
Egypt	Morocco	Belgium	Nigeria
Group E	Group F	Group G	Group H
Serbia	Sweden	Belgium	Japan
Brazil	Mexico	England	Senegal
Switzerland	South Korea	Tunisia	Poland
Costa Rica	Germany	Panama	Colombia

The table overleaf lists the countries alphabetically. It includes 4 measures for wellbeing:

1. The Average Life Expectancy
Source: 2015 World Health Organisation report
Ranking for 183 countries in years
2. Happiness
Source: the 2018 United Nations annual World Happiness Report)
Ranking for 156 countries on a value scale of 0 to 10
3. Human Freedom
Source: the 2017 Human Freedom Index (from the Cato Institute)
Ranking for 159 countries on a value scale of 0 to 10
4. Lack of Corruption
Source: the 2017 Corruption Perception Index (from Transparency International)
Ranking for 180 countries on a value scale of 0 to 100

For each measure the lower the rank the better and the higher the value the better. Before looking at the table guess the answers to the questions in the box below.
